Dear Mr. Torres,

My name is Toni. I am 16 years old. I have two brothers and one sister. They makes a lot of noise and I never can study. I don't like school and I often am late for classes. That is because I go at night to discos and I am very tired in the morning. I like very much rock music and I love to dance. I meet in the discos many foreign tourists. I think it is important to know English. How I can talk to the tourists if I doesn't speak English?

Yours sincerely,

Toni
